

THE REVELATION

"Oh America, Mighty Eagle, By the plans of Your demise You were grounded by the lies of destruction, but in Your dream You proclaim liberty, to all throughout this land of destiny."

Known as **King of the Skies**, the American Bald Eagle exemplifies freedom, fierce boldness, acute vision, and faithfulness. Eagles are mentioned several times in the Bible, expressing God's Sovereignty and the splendor of His nature. It is no coincidence this masterpiece of the animal kingdom was chosen as our National Emblem. When many of us think of, or see, a photo of this great bird, in a very real sense, we are drawn into the glorious character of the Lord.

"Lord God, be exalted as You soar throughout the heavens. May Your shining glory be seen high above all the earth!" (Psalms 108:5 TPT).

Wherever the Eagle is voiced in the song, the embodiment of the Lord is always realized, even when the context seems to only emphasize the emblem aspect of America.

LAWLESSNESS ABOUNDS

From the time people first set foot upon this Nation, the realms of darkness have planted lies in peoples' hearts, in an attempt to snuff out true liberties from taking hold. With every evil, you will find a lie as its source.

We know America's greatness is unparalleled in countless ways among the nations; yet, throughout our history, we were often on the verge of annihilation. We now live in a day that is alarmingly dangerous, where the total collapse of our freedoms are the driving mission of a rising army of people, whether they are aware of what inspires them (or not). Anything that speaks of God, or is God-breathed, is ridiculed or attacked. Today, the anti-Christ spirit, among other spiritual wickedness, has reached an extremely violent level. The two opposing forces in the spirit realm are in the *mother of all battles* for the heart and soul of this Nation... **But God has a Dream... His own version of the American Dream, where the *chasing after* is all about His pursuit of us with His extravagant Love.**

Through His Sovereign will, God slashed the cords of impending devastation on November 8, 2016, by raising up Donald Trump to be our President; a man who loves the Constitution and every other founding document that has the Breath of God on it. **The Great Eagle is now rising up... freed from the snare of the fowler and the perilous pestilence** (Psalms 91:3) - *"Spanning wings of love so broad, above one nation under God!"*

With this wonderful reality, there are now greater spiritual battles we must overcome as Satan's increased rage is playing out in this nation. The Light of the Lord is shining brighter as evil is increasing at alarming rates, especially given the fact, God is about to bring forth

the spiritual rebirth of this nation. Those of the culture of death are attempting to viciously abort this precious Life before it's birth.

LIVES GUIDED SOVEREIGNLY

Within the artwork, historical, as well as everyday believers throughout generations, inhabit the Stars and Stripes of *Old Glory*. Actually, in this depiction, it's more of a *New Glory* flag because of the truth that all who are in Christ are made new in His life. It's true that scripture declares the *Banner of God's Love* is waving over us, but the reality is, we are also gloriously weaved into its *very fine fabric*. It's as though this **New Glory Banner** is superimposed over *Old Glory*, expressing a beautiful blend of National Patriotism with **New Glory Patriotism** for our God. Everyone in the Artwork (and the millions who couldn't be painted in), love God, as well as His fulfillment of America's destiny through their *"lives guided Sovereignly, Power of the Almighty."*

The Golden Bowls of Revelation 5:8 are now loaded to the brim, bringing them to the point of tipping over with the precious prayers of the Saints; a sweet-smelling incense that greatly pleases the Lord. Keep pressing in until this potent mixture - hundreds of years of prayer - unloads upon America and the whole earth.

THE BELLS OF HEAVEN RING

In December 2017, I received a strong melodic download. Soon after, I understood three notes were to be bell tones. More revelation came expanding the melody to eight bell tones that would ring out of five enormous golden bells. Five is the number God's Grace; eight is New Beginnings.

While preparing the preliminary drawings of the bells that would be part of the painting, the Lord showed me each bell was to contain **its own specific expression born out of the Father's Heart**; yet, embedded within the core of every bell was an identical powerful proclamation of the Liberty and Justice of The Most High God. This is the same message inscribed upon the great American icon, the Liberty Bell. *"Proclaim Liberty throughout all the Land, unto all the inhabitants thereof..."* (Leviticus 25:10).

The Philadelphia Public Ledger, using the bell's original name, takes up a story in its February 26, 1846, publication about the bell's misfortune. This account also reflects the condition of America today.

*"The old Independence Bell rang its last clear note on Monday last in honor of the birthday of Washington and now hangs in the great city steeple **irreparably cracked and dumb...** it received a sort of compound fracture in a zig-zag direction through one of its sides which put it **out of tune** and left it **a mere wreck of what it was.**"*

All things are repairable in the eyes of God. America is now entering an exciting time of explosive restoration. Jesus paid the price of redemption by shedding His blood, making the way for an unprecedented, miraculous move of God.

These five hallowed bells are not carved or sculpted. Their beauty has been the result of a forging process. Each golden design carries profound blessings and proclamations that could only be forged through the fiery furnace of Calvary. Kingdom Majesty adorns the top of each bell with the Crown of the Risen Lord.

First Bell – The Bell of Thy Kingdom Come

“Thy Kingdom come. Thy will be done on earth, as it is in heaven.” (Matthew 6:10 KJV).

A great scroll in heaven is being opened upon the surface of this glorious bell, revealing the same scene taking place in the Artwork - essentially the earthly realm. As the scroll continues to be unveiled - past, present, and new revelation (*for such a time as this*) will become a radiant reality across America, as mature believers align and co-labor with Heaven's purposes. If you have ears to hear, hear the bell toll with splendor. Listen also for the sound of the mighty flash of rising Eagle wings amidst the sound of rolling thunder emanating from the opening scroll.

Second Bell – The Bell of the Ruach of God

The image upon this bell consists of the Ruach of God surging through the strings of an ancient lyre. The Hebrew meaning for *ruach* is *breath, wind, or spirit*. These powerful winds are the sounds of resurrection, as the dry bones of a depraved humanity are infused with God's life, power, and authority - similar to what took place in Ezekiel 37. This bell is a clarion call to be part of a rising army filled with the Breath of God.

The harp-like instrument (or kinnor) is like the one used by David to worship the One who loved him so deeply. This bell calls us into God's presence, where we express our love to the Lord with anointed worship, which is the second clarion call of this bell. *“My loving God, the harp in my heart will praise You. Your faithful heart to us will be the theme of my song. Melodies and music will rise to You, the Holy One of Israel.”* (Ps.71:22 TPT).

Third Bell – The Bell of the End-Time Harvest

Upon this bell is the image of a giant sheaf of wheat, framed between two beautiful angelic wings.

For several months, I've seen myriads of angels, slowly ascend through the air to the top of a great mountain. The atmosphere is charged with indescribable Peace. A shimmering white covering is being created upon the towering summit, as each glorious angel takes their position. This reminds me of the glistening splendor of the snow-capped peaks of the Rocky Mountains. These angels are the end-time Reapers, who will partner with us and the Lord in the days ahead (this doesn't imply that harvesting angels are not at work today). The Supreme Reaper is the Son of Man, seen sitting upon a cloud, wearing a golden crown, gripping a sickle in His mighty Hand (Revelation 14:16). The frequency of this third bell is a compelling call to go into the harvest fields and share the good news.

Mountain avalanches are often triggered due to overloading, earthquakes, gunshots, shouting, or thunder. I believe a thunderous shout of the Lord will set in motion a

powerful **Angelic Avalanche**, cascading them down the mountain slopes, crashing across the ripened harvest fields of America and the whole earth.

The shout of the Lord is like the shot heard around the world, which took place on April 19, 1775, at the Battles of Lexington and Concord; starting the American Revolutionary war. *"Now Zion's mountains move by the might of His Voice! He shakes the snowy peaks with His ear-splitting sound!"* (Psalms 29:6 TPT).

Fourth Bell – The Bell of the Bride and the Bridegroom King

With arms wide open, our Bridegroom King adorns this bell as He awaits the arrival of His Beloved. *"...Glorious and radiant, beautiful and holy, without fault or flaw; a bride fully prepared for Him..."* (Ephesians 5:27b TPT). Behind Him are the doors they will go through, where they will drink the Cup of Passion and Holy Ecstasy.

The wise virgins never allowed their flames of love for their Beloved to burn out. Therefore, they entered with Him to the wedding. The door was immediately shut to the virgins who foolishly let their lamps burn out. Even their painful cries to be let in could not reverse the situation. Their hearts were eternally pierced by the words of the Lord, *"Assuredly, I say to you, I don't know you."*

There is nothing more precious to the Lord, than our desire to equal the desire He has for a deep loving relationship together. Years of Christian ministry, or good works alone, are no assurance the doors of eternal intimacy will be opened to the wedding feast (Matthew 25).

Fifth Bell – The Bell of His Whirlwind Passion

An aerial view of the churning storm of God's Glory and Passion is upon this bell. The Eye of God is the eye of this storm, continually gazing upon us, as the fires of His jealous love rage on. *"Like a fierce Tornado unrelenting, Glory swirls with Your passion above, touching down in our yearning hearts - swept away in Your torrents of love."*

With a greater force than any earthly tornado, God will wreck us with this mighty tempest of passion, as we are found *"standing in the path of Your love."* Countless new Believers will join us upon His pathway. Even many *agents of destruction*, presently trying to take down America, and/or take down the President, will be swept away by God's Love and Forgiveness!

When the bell clappers strike over and over at the inner walls of each Bell, wave after wave of God's Glory is released, shaking and shifting atmospheres that transforms lives. For Satan and his powers of darkness, wave after wave strikes terror into their inner core, causing them to flee.

We must keep pulling on the ropes of Heaven's belfry with increasing intensity and authority, each day, as we reckon ourselves dead to sin, worship in the beauty of Holiness, keep the robe of humility on, and press into intercession as never before - praying for the Justice and Liberty of this nation to be fully realized. May there be no

blockages in our lives that would hinder our sensitivity to the eternal frequencies of Heaven.

"Everybody can you hear them calling you now?"

THE QUEST OF THE HARVEST MOON GLEANING

On July 16, 1969, the Apollo 11 Spacecraft, carrying three American Astronauts, was launched on a mission to put a man on the moon for the first time in history. When the big day had come on July 20th, the sun was rising over the landing site, **The Sea of Tranquility**. Later, Neil Armstrong and Buzz Aldrin suited up, crawled through the connecting tunnel into **Eagle**, the Lunar Module (LM). When they eventually steered the module onto the landing site, Armstrong radioed Mission Control, "Houston, Tranquility Base here. **The Eagle has Landed.**"

Hours later, Armstrong emerged out of the LM, slowly stepping down the ladder. He then made this declaration, **"That's one small step for man, one giant leap for mankind."**

Nineteen minutes later, Aldrin joined Armstrong on the lunar surface, where one of their functions was the planting of the American flag. Although Aldrin was second, he became the first to take the Lord's Communion on the moon, hours later after re-entering the LM.

WOW! I believe the Lord is revealing amazing spiritual parallels to what America is now coming into. July 20, 2019, is the 50th anniversary of the moon landing - the number of Jubilee! The name *Armstrong* is no coincidence, as we know, the strong Arm of the Lord goes before us, making the way so we can follow in His steps, entering into sweet communion with Him. Not only in a personal sense, but also Nationally as God is bringing unimaginable transformational change for America.

Upon reflection of Armstrong's statement, *The Eagle has landed* - upon the heavenly sphere, it can be said countless inhabitants of this land will freely enter into the light of Christ. **"America, the Mighty Eagle has been raised up to land."** Or, as the scriptures say, **"...sit in the heavenly places in Christ Jesus."** (Ephesians 2:6 NKJV).

In the Artwork, our Risen Lord is **gazing upon you** while adorned with His golden crown from where the Eagle landed in the Sea of Tranquility. The Greater reality is **Jesus is the Sea of Tranquility!** This depiction of the moon with the shining face of Jesus is a picture of the Church. The Church and the Moon have striking similarities, some of them are:

- The moon shines with the reflected light of the Sun. In like-manner, the Church receives her Glorious light from Christ, the *Sun of Righteousness*.
- The moon is the lesser light that rules the night. The Church shines her radiant light upon the darkness of the world... **to give the light of the knowledge of the glory of God in the Face of Jesus Christ** (2 Corinthians 4:6 NKJV). For centuries, people have imagined a man in the moon or ships in the clouds. As never before, the King of Glory will not be a fleeting imagination, but will shine forth out of His harvest moon Church with a radiant reality the world has never seen before - like looking through a powerful telescope at a heavenly body.

- Water waves are the result of the gravitational pull of the sun and moon. These waves are the tides, or in other words, tidal waves pouring out upon the shores of lakes and seas. The force of the moon's gravity greatly affects the earth, because of their close proximity to one another other.

God's Holy breath was on the U.S. Constitution document from its formation to its finalization. His Breath can never die, so it lives on in power. The first part - the Preamble declares, "**We the People of the United States, in Order to form a more perfect Union, establish Justice, [and to] insure domestic Tranquility...**"

The time is now here when the Lord's Breath becomes a **mighty rushing wind**. No more will there be just a drizzle of Glory, as powerful as that is now, the Greatest outpouring of His Spirit ever is beginning to fall, where its surging rivers will rise up into a **Glorious Deluge of Power and Tranquility**, drenching America and the whole earth - for He is the **Prince of Peace!** We therefore declare the **fulfillment** of America's Constitutional declaration that **insures** domestic Tranquility.

FROM LEPERS TO LEAPERS

Leprosy in the Bible is a vivid depiction of the spiritual defilement of sin.

In the upper right corner of the Artwork is a park called **WorldWay Park**. You'll see a huge bronze sculpture of several people holding up the world. This speaks of the masses that live by the ways of the world, upholding its mortal values. *"Do not love the world or the things of the world. If anyone loves the world, the love of the Father is not in Him."* (1 John 2:15 NKJV). In front of the sculpture are numerous people being drawn out of the park. There they stand, every race, nationality, culture, and religion at the **CROSS**walk of decision, ready to step out from the park's vicinity into something radically new.

Many prophetic voices declare that 2020 will be a profound time for the Church, as She enters into more of the fullness of her Bridal identity. The year **2020 is a leap year!** In front of the people standing at the curb, you can feel the powerful force of the **Lord's gravitational pull of love**, launching the two young people, arm in arm, into **One Giant Leap**. Their faces express a profound sense of joy and exhilaration, as they make their landing into the one who is **The Sea of Tranquility**. Salvation in Christ brings unspeakable joy and jubilation, sweeping captives off their feet so they can forever drown in the fathomless love of Jesus.

Notice the banner has three waves in it, as it spans across the Artwork. The young people's tandem leap carries them from an outer realm into the flag's **third wave**. If the moon was transparent you would see the golden crown of King Jesus perfectly intersects with the top of the third wave. This Divine alignment speaks of the **extravagant Glory and Majesty** the **greatest of all Awakenings** will be infused with. What an amazing time of Holy convergences that are now taking place!

Leaping is very important to God, as the Bible abounds with its references. Here are a few: King David leaped and danced before the Lord (2 Samuel 6:16). The Shulamite's Beloved came leaping and skipping on the hills and mountains (Song of Solomon 2:8).

Physical healing results in leaping (Acts 3:8, Acts 14:10, Isaiah 35:6). When the announcement of the future birth of Jesus was heard, John leaped in his mother's womb (Luke 1:44).

There is just something about leaping!

As the 50th Anniversary of the Apollo 11 landing is upon us, and as we enter into what I believe is The Leap Year of all Leap Years, it will initiate an **explosive spiritual fulfillment** of Armstrong's proclamation. **Millions upon millions of people will take their leap of unspeakable joy, as the force of God's love through His radiant Harvest Moon pulls them into His Kingdom.**

"That's one small step for man, one giant leap for mankind."

It should be noted; a person can leap higher and farther on the moon than they can on the earth.

"You have multiplied the nation and increased its joy; They rejoice before You according to the joy of the harvest..." (Isaiah 9:3 NKJV).

"Behold, the Glory of America!"

WHO'S WHO IN THE BANNER OF GLORY?

Among the many every day or unknown believers, you will find a baby being dedicated to the Lord, surrounded by loved ones and supporters in a church setting.

There is a young man down upon his face and knees crying out for forgiveness, as he enters into the Salvation of Christ.

A Messianic Jew is trumpeting an extended blast through his spiraling shofar.

An intimate time of prayer is shared between mother and daughter before the youngster crawls into her bed for the night.

The Mayflower ship makes up the backdrop for a pilgrim family, standing together by their home.

Regarding the historical, well-known or somewhat well-known believers... there are five presidents besides Donald Trump. They are George Washington, James Garfield, William McKinley, Benjamin Harrison, and Abraham Lincoln. Vice President, Mike Pence is prominently portrayed by the right hand of President Trump, as well as being directly above the Right Hand of God.

There are seven statesmen: Samuel Adams, Oliver Wolcott, John Randolph of Roanoke, Alexander Hamilton, John Jay, Benjamin Rush, and William Jennings Bryan.

There are fourteen preachers (or ministers). The female preachers are as follows: Amanda Berry Smith, Maria Woodworth-Etter, Louisa Woosley, Aimee Semple McPherson, and Antoinette Brown Blackwell. The male preachers are George Whitefield, Charles Finney, Eli Farmer, William Joseph Seymour, Dwight L. Moody, John G. Lake, Billy Sunday, Paul Patkotak, and Billy Graham.

There are two Astronauts - Colonel Aldrin and James Irwin, who was the eighth man on the moon. He had a major encounter with the Lord while on the moon that changed his life from a *bump on the log Christian* to a tireless ambassador of the Love of God. He did *broad jumps* (or leaps) while on the moon.

The remaining two portray author Harriet Beecher Stowe, as well as the great civil rights leader Dr. Martin Luther King Jr., seen delivering a speech to a large crowd of onlookers.

There are many historical figures that could be termed *obvious choices* to be in the flag, but are not. All believers are represented whether they are in the image or not. I enjoyed adding some figures one wouldn't usually expect in an artwork like this. The size of a figure doesn't necessarily imply a greater standing than another or vice versa. All have powerful quotes or testimonies that will be detailed and posted on this website at a later date, as well as a description of where they are located in the flag. For now, have some fun looking for the names you recognize within the image.

There will be updates with unfolding revelation, as well as expanded explanations of the present contents of this revelation, not on this site but in yet-to-be-determined media sources.
